Jurisdiction of Georgia

Grand Session 2018

Atlanta, Georgia

June 20 – 24, 2018

The Community Service Outreach Project committee has been very active in the Jurisdiction for the past 9 years, providing donations and support to various charities and organizations throughout the State of Georgia. Throughout the jurisdiction, we have supported our communities by donations and giving of our time to those who are in need. We have been recognized in our communities and through the organizations we've supported in the past for our dedication and support to these organizations.

For the 2018 Grand Communication of the Most Worshipful Prince Hall Grand Lodge and the Prince Hall Grand Chapter – Order of the Eastern Star, the committee has recommended to the jurisdiction our support to the Hands on Atlanta in Atlanta, Ga.

Hands on Atlanta is a nonprofit organization that connects volunteers with more than 500 nonprofit agencies and public schools that directly impact the community. Hands on Atlanta volunteers are at work every day of the year transforming the community through their work in public schools, parks, senior facilities, food banks, pet shelters, neighborhoods and more.

Hands on Atlanta has been mobilizing and inspiring volunteers in service throughout the city for the past 25 years. A cornerstone of this work is Hands on Atlanta Day, held every October, where thousands of volunteers unite in service to revitalize Atlanta's streets, schools, parks and community centers.

Hands on Atlanta is fully funded by the generosity of individuals, corporations and foundations. Hands on Atlanta also receives funding from the Corporation for National Service to manage its AmeriCorps program. Eighty-six percent of Hands on Atlanta's expense go toward program activities engaging thousands of Atlantans in service. [www.handsonatlanta.org](http://www.handsonatlanta.org)
