Community Service Outreach for Grand Session 2010

UPDATE

We, the committee on Grand Session Community Service, are proposing that we adopt the Ronald McDonald House as our Community Service Project for this year's Grand Session.

The RMH is a nonprofit organization that house families from afar when their children/family members are receiving medical treatment in that particular area. The facility here has the capability of housing up to 10 families. I am attaching a needs list of items in which they don't have funding for onsite. Also, they collect tabs from cans in order to pay their electric bill. They also collect ink cartridges and old cell phones as well.

The committee is asking for all items donated for this project to be turned in at the designated location at the host hotel no later than **Wednesday, June 1, 2010**. There will be signs posted to direct you to the location of where these items will be received by the committee.

Please contact any of the committee members below for further questions.

Fraternally yours,

Bro. Darryl S. Dees

Darryl S. Dees, PM Gate City #42 – Committee Chair (678) 592-3947 (ddees@gatecity42.org)

Bro. Jerome Williams

Jerome Williams, WM Lewis Hayden #6 (706) 905-0601 (da357nurse@yahoo.com)

Bro. Matthew Bonham
